All donations from last year will be carried over. All donations from this year will be added to your last year donations to determine your sponsorship level. We are still in need of donations as we incurred minimal expenses last year, but also only received a portion of what we normally receive in donations, so without additional donations this year, it will be very difficult for us to plan SCD 2021. THANK YOU FOR YOUR CONTINUED SUPPORT. IT IS GREATLY APPRECIATED!
