Hello - Are you excited? Small town. Summer fun. is nearing!

Our volunteer committee is currently working on creating a memorable festival for 2023. To make 2023 happen, we need support from people like you. By donating funds, you are assisting in covering the 2023 expenses such as the carnival, fireworks, live music performances, the kiddie tractor pull, yoga in the park, bean bag tournament, royalty contest and so much more. **Please return the included sponsorship form by June 30th.**

Businesses- Feel free to hand out coupons/merch during the parade. Or stop by the park on Thursday, July 27th during the free Chalk the Walk event and create a design that could include your logo or specials. **If your business has an event you would like to add to our event schedule, please contact us prior to June 5th.** We want you to partake and enjoy the festival as much as possible!

Unable to donate funds? We are looking for local organizations, businesses, and groups to host events or provide new equipment. This is an opportunity to **partake** in a community event or **promote** your business. Below is a list of ideas we've taken from festival goers in the past.

If you are interested in being a vendor, hosting an event, taking on one of the ideas below or volunteering, please contact us and we will brainstorm with you on the best location/time and assist with planning. Feel free to propose a new idea to us. **Note, all details must be approved and finalized by June 15th to be included our advertising.**
